OFFICIAL ENTRY FORM
FIRST ANNUAL ARCHERY TOURNAMENT
CHAMPIONSHIP TARGET MEETING

August 31st, September 1st, 2nd, 3rd, 1931

Archery as a sport is rapidly taking the place it so rightly deserves and sufficient interest has been manifested to make it worth while instituting this annual championship meet, which will be somewhat patterned after the National Tournament of the United States. After this year this tournament will be open to the world. Here is a genuine opportunity to make the Canadian National Exhibition Archery Tournament the best in the world.

This championship target meeting will be open to any bona-fide resident of Canada who has resided in Canada for at least six months.

It is the desire of the sponsors of this tournament to bring together all who are interested in archery in a Canadian Association which will be strong enough in all sections of the Dominion to assure proper clubs being formed. The sponsors desire a unified effort to make Canada one of the greatest centers of a sport while new, is yet so old that no one can remember its beginning.
